Principal's Message

Welcome back to the 2018 school year!!!!

It has been so lovely to see all of the smiling faces return to our wonderful school. We welcome our 2018 Kindergarten students and their families to Mulgoa and we look forward to watching your beautiful children grow!

All of our classes have settled in beautifully and are already producing some amazing work. All teachers have been impressed with the focus and dedication already shown...although there have been a few yawns as we all adjust to school life again!!

Thank you to the parents that attended our Meet the Teacher night. At Mulgoa we believe that a healthy partnership between home and school is beneficial for each child. We understand that many parents work and cannot always attend school events. We are committed to sharing your child's educational journey with you. This will be done via our fortnightly newsletter, school website and school Facebook page.

For Mulgoa 2018 will be the start of a new 3 year school plan, 2018-2020. Staff have been working hard preparing a plan for our school that will enable all of our school community, students, staff, parents and community members reach their full potential.

We believe Mulgoa matters!!
