Friendship Love Learning

Principal's Message.

Dear Parents and Caregivers,

This will be our final newsletter of 2018. I would like to take this opportunity to say a heartfelt thank you to our entire school community. A year is a long time to share together and together we have achieved so much. Our students are blessed to come to school in a community that is so invested and supportive.

To our students we say thank you for coming to school each day ready to embrace your learning and accept all challenges and adventures. We are very proud of each and everyone one of you and the learning journey you are on. Your smiling happy faces keep us going and fill our hearts...you are why we are all here!!!

To our families and P&C we give our thanks. Your support of our school and our students are greatly appreciated. We believe in the old saying that it takes a village to raise a child...the partnership we share and relationship we develop is important and essential to success for each and every one of our students. Thank you for coming to assemblies in the bitter cold or the scorching heat, thank you for helping in classrooms, serving in the canteen, coming to P&C meetings, covering books and transporting students to Gala days...your support is acknowledged and appreciated.

We wish all of our families a Merry Christmas and a healthy and happy new year. For those children and families whose journey at Mulgoa ends this year we wish you happiness and success. We look forward to relaxing and rejuvenating over the Christmas break ready to start 2019 with energy and enthusiasm and we look forward to sharing your journey again next year!

We believe Mulgoa matters!!
