

# Mulgoa Matters

Friendship Love Learning

## Principal's Message.

Dear Parents and Caregivers,

On Friday 31st May we held our first Term 2 visitors assembly under our new COLA. K-2 presented a fabulous music and percussion item and 3/4 shared some of their fantastic work they have been doing in class. We were also joined by Mrs Tanya Davies MP who officially opened our new COLA with our student leaders and P&C executive team.

This is one of the most significant events that has occurred during my 20 years at Mulgoa Public School. It will be beneficial for each of us here today and future generations who join our school community. It is a wonderful outdoor learning space, a place for special celebrations and for use during play time to protect us from the hot sun in summer and rain in winter. It is the culmination of many years of campaigning by our past and present P&C, students and our local member.

One of our many amazing dads, Laurie Galea, has been working hard on getting our vegetable garden up and running as well as spending time planting and wedding gardens around the school. He has done an amazing job and we are looking forward to having some of the produce ready shortly that can be used by our school canteen which operates on Friday's.

We believe Mulgoa matters!!
