Friendship Love Learning

Principal's Message.

Dear Parents and Caregivers,

We have had a busy couple of weeks here at Mulgoa with teachers and students out representing Mulgoa at a number of events! A huge congratulations to everyone for a very successful Book Week assembly. It was wonderful to hear about everyone's favourite book...and the costumes were fantastic too!

Thank you to our P&C for hosting a great family reading night, we were fortunate that the weather was on our side! A big thank you also for your support of our book fair. We had a large number of books purchased and donated to the school, which we are very grateful for! The evening was a wonderful opportunity to relax with family and friends and read by torch light! Please pop onto our Facebook page to check out the photos!

Our stage 3 students have represented MPS at the First Foot Forward day at the Kingswood campus of WSU. Reports were that all involved had a great day!!

This week 17 of our students represented Mulgoa at the Zone athletics carnival. Congratulations to those students for your hard work and dedication.

On Wednesday night 4 authors and 4 illustrators represented our school at the GPLA writers festival. It was a wonderful celebration of our local talent and a great opportunity for our students to network with students from local schools.

Our dancers have a busy couple of weeks with dress rehearsal this week and matinee and evening performances next week. They have been working hard on their routine and we wish them the best of luck for their performances!

This week is SASS appreciation week. We would like to acknowledge and celebrate our wonderful admin staff, school learning support officers and our general assistant for their dedication to our students and to our school!

Why we're different

- 1. We come to your school:** We offer all students, regardless of background or prior experience, specialist instrument lessons right on school grounds. That means less travel time for busy families.
- 2. We're affordable:** Our lessons are around half the price of private tuition. We also supply all the instruments during class, taking the burden off having to buy one right away.
- 3. Learning is fun:** The customised curriculum is set in a fun environment, focusing on music reading, playing, arranging and performing to help build skills and self-esteem - with lots of fun competitions and awards throughout the term.
- 4. Growing reviews:** The award winning Music Bus program has received positive feedback from the Dept of Ed and NSW Creative Arts Department – not to mention from countless parents and Principals in your community.

Purchasing an instrument for your child

While The Music Bus provides all instruments on the bus, we do recommend having an instrument at home for practice if possible. Having an instrument at home is the best way to help your child master their musical skills. For your convenience, we have now partnered with Musos Corner, one of Australia's most trusted and experienced music retailers for over 50 years. Together, we have chosen an entire range of instruments that we believe are the best choice for our students. Simply visit:
