Principal's Message....

Dear Mulgoa families,

It is hard to believe we are now more than halfway through term 4! I want to take a moment to reflect on the tremendous effort, focus, and dedication that all of you have shown throughout the year. We are in the final stretch, and the hard work you've put in—whether in the classroom, on the sports field, or in all your other activities—has truly shone through.

A special mention today goes to our Year 5 students, who will be presenting their captain nomination speeches next week. I have no doubt that you will all do an excellent job in sharing your visions for the future of our school. Our school captains for 2025 will be announced at Presentation Day.

I also want to take a moment to thank our Year 5 and Year 6 students for their outstanding behaviour and commitment during camp. You all stepped far outside your comfort zones, tackling activities that were challenging, and even a little frightening at times. But you did it together, supporting each other and pushing through fears. That spirit of teamwork and resilience is what makes our school so special, and I am incredibly proud of you all.

I want to express my deepest gratitude to our staff, students and school community for your continued hard work and unwavering focus. As we move toward the end of the year and all the wonderful school events that are to happen, let's continue to support one another, celebrate our hard work, and take pride in everything we've achieved together this year.

Thank you all for your commitment and effort. Let's finish the year strong!

Warm regards,

Justine Blackley
Principal
