Principal's Message....

Dear Mulgoa families,

As we come to the end of the year, I want to take a moment to reflect on all that we've achieved together in 2024. It has truly been a year of growth, friendship, focus, and dedication, and I am deeply grateful for the incredible support we have received from every member of our school community.

To our students: I am incredibly proud of each and every one of you for your commitment to learning. Your hard work and perseverance have been inspiring, and it is a joy to watch you grow academically, socially, and emotionally. You are the heart of our school, and your achievements this year are a testament to your dedication and effort.

To our staff: A heartfelt thank you for your tireless work and unwavering commitment to the success of our students. Your passion for teaching and learning, and the care and support you provide to our students, are truly invaluable. You have made a difference in so many lives this year, and I am grateful for everything you do.

To our P&C: Thank you for your continued support and advocacy of our school. Your involvement and dedication have made such a positive impact on our school community, and we appreciate all the time and energy you have contributed to enriching the experiences of our students.

As we approach the holiday season, I want to wish everyone a safe, relaxing, and joyful Christmas and New Year. For our Year 6 students, we wish you all the best as you transition to high school – may your next chapter be filled with new opportunities, friendships, and success. We are so proud of all that you've achieved, and we know you will continue to shine brightly.

For everyone else, I look forward to seeing you all in 2025. Thank you again for an amazing year. Together, we have made it a year to remember, and I can't wait to see what the future holds for our school community.

Wishing you all a wonderful holiday season!

Warm regards,
Justine Blackley
Principal
