Principal's Message....

Dear School Community,

As we move through the term, I want to take a moment to acknowledge and thank our entire school community, students, staff, and families, for their continued hard work, dedication, and support. It is truly inspiring to see our school thrive through teamwork and commitment.

A special congratulations to our Year 3 and Year 5 students for successfully completing their NAPLAN assessments. These tests provide a snapshot of learning at a particular point in time, but they do not measure the qualities that truly define our students, kindness, dedication, perseverance, and the unique talents they bring to our school each day. We are proud of each and every one of them for their efforts and positive attitude towards learning.

I would also like to extend a heartfelt thank you to our wonderful P&C for the successful opening of the school canteen. This would not have been possible without the dedication of our incredible volunteers, whose hard work has helped create a valuable service for our students and staff. Your time and effort do not go unnoticed, and we are truly grateful.

Looking ahead, we have many exciting events still to come this term, with the highlight being our Easter Hat Parade and Visitors' Assembly on the last day of term. We warmly invite parents and families to join us in celebrating the students' creativity and achievements. It promises to be a fantastic event, and we look forward to seeing you there!

Thank you all once again for your ongoing support. Together, we continue to make our school a wonderful place to learn and grow.

Justine Blackley
