Principal's Message....

Dear Parents, Carers, and School Community,

What a fantastic week it has been at our school! I want to take this opportunity to extend a heartfelt thank you to everyone who contributed to the success of our Athletics Carnival and Gala Day. These events are wonderful highlights in our school calendar, and this year's celebrations were truly outstanding.

I am incredibly proud of our students for their enthusiasm, commitment, and the way they supported each other throughout the day. Their team spirit and positive attitudes were on full display and reflect the strong values we nurture within our school community.

A huge thank you also goes to our dedicated staff and the many family volunteers who gave their time and energy to ensure everything ran smoothly. Events like these simply would not be possible without your tireless support and planning.

I'd also like to acknowledge our friends and colleagues at Wallacia Public School and Luddenham Public School. It was a pleasure to collaborate with you in making our small schools carnival such a successful and inclusive event for all involved.

Thank you again to everyone who played a part in making this week so memorable.

Justine Blackley
