Dear Mulgoa families,

We are thrilled to announce that due to the increasing demand for quality education and the growing number of students joining our school community, we will be forming an extra class starting from Monday, 18th March 2024. This decision comes as a result of careful consideration and a commitment to providing the best possible learning environment for all our students.

While we understand that any reshuffle in class structure may bring about some inconvenience, we want to assure you that this is a positive development for our school. With the formation of the extra class, we will be able to maintain smaller class sizes, enhance individualised attention, and create more opportunities for student engagement and success.

We believe that this expansion reflects our dedication to academic excellence and our unwavering commitment to meeting the evolving needs of our students. We are confident that this additional class will contribute positively to the overall educational experience at Mulgoa Public School.

We appreciate your continued support and cooperation as we work together to ensure a smooth transition for all students and staff members. Should you have any questions or concerns regarding this matter, please do not hesitate to reach out to us.

Until a new building is delivered, the newly formed 2/3 class will be running from our school library.

Thank you for being part of our vibrant school community.

Warm regards,
Justine Blackley
Principal
