Education Week

Dear Mulgoa Families,

Next week we are celebrating Education Week. This year's theme is 'Proud to Belong'. We have several great activities happening to celebrate.

Tuesday 6th August - MiniFit day - students will be participating in a range of health and physical activities for the day. MiniFit is a program developed and run by Anthony Minichello. Students will need to wear their sports uniform.

Wednesday 7th August - Education Week open classrooms. Please come and meet us under the COLA at 2pm for an afternoon of activities in classrooms.

Friday 9th August- Science Fair - we have a record number of students participating in the Science Fair this year. We hope to see you there...prepare to be amazed!

We hope to see our families on Wednesday and Friday celebrating all that is wonderful about Mulgoa Public School.
